

APRIL 2009

SPECIAL PROJECTS

The **annual team open application period** will begin April 1st and run to April 24th. After which the command and general staff leads along with the team advisor board will make new team members selections. Current team member position changes or roster adjustments will also be made at this time. We are specifically looking for 1 or 2 individuals to attach to the team and be on the roster for general team support (getting our soon to be acquired gear to the team where ever we are deployed). These individuals will be assigned to logistics. Please feel free to forward the application to anyone whom you think is qualified and would add value to our team.
(This will be the primary way the application will be made public is year)

*

We will be doing our first monthly test page the first few days of April. This is a final reminder that each team member needs to fill out the information sheet for the **Code Red System** (last months monthly email had the sheet attached). Please return your information to Riley Frazee if you haven't done so.

*

The following planned events and deployment opportunities are being negotiated for the 2nd quarter

-DIA (position specific training to their personnel and exercise support)

-Berthoud Days (5 members to be ordered)

-Greeley Stampede (Plans support- TBD)

Northern New Mexico IMT summit (with SW Kansas IMT) ECIMT to facilitate- TBA

TRAINING

MEETING / TABLETOP DEPT. OF AG
Team C & G leads

April 8th

Lakewood, Colorado

Montrose, Colorado

ANNUAL TEAM MEETING- ALL HANDS REQUESTED OCTOBER 6th at the State EOC 1000 to 1500

We are advertising this event 6 months in advance to hopefully be able to get all team members to this meeting

For those seeking Type III all hazards certification please review in depth the expectations of the Division of Fire Safety. Guidance and approval requirements / procedures can be found at http://dfs.state.co.us/Type3_IMT.htm

ECIMT Mission

**Provide commitment to all-hazards incident management and achieve
Excellence in training and response**
