

# JANUARY 2010

**JANUARY 4<sup>th</sup> – 10<sup>th</sup>**

## **Colorado Wildland Fire and Incident Management Academy- Greeley**

As always it appears the ECIMT will have a number of participants at the academy as instructors, trainees and students. Opposed to a team meeting during the academy, it has been suggested we gather for dinner on the evening of Wednesday, January 6<sup>th</sup> around 6 p.m. at the Chili's, I-25 at the Highway 34 exit (exact address) 1425 Rocky Mountain Avenue , Loveland.

Email RSVP to [scharles@berthoudfire.org](mailto:scharles@berthoudfire.org) so we will have a rough idea of how many will be coming

*For all team members coming to the academy please have your new light gray team shirts with you !*

## **Advanced Planning Concepts: Developing Incident Action Plans Fairmount Fire Protection District Training Center- Golden**

This is a new National DHS approved Advanced Course on not only IAP's, but also additional agency administrator product development like KDL's , ICS 209's, Transition Plans, Final Narratives and more. For anyone working in the planning section currently or working on the IMT in any position that aspires to someday move to the type II level or higher, this is the course for you. This course is fully DHS grant eligible back to your jurisdiction (course fee, room, per diem) through your regional homeland security coordinator.
