

- The website for the team is up. The url is www.ecimt.info. A secure area just for team members is now available. Also there is a news area that any team member is welcomed to contribute to
- We are moving forward with the plan to manage the Governors Conference on Emergency Management which will be held February 25 thru the 28th. Please forward in an email your availability to participate with the team on this historic under taking by January 15th. Lodging is available at the Inverness Hotel for those team members traveling more than 50 miles. The key days are the first and last days. Those of you who are qualified at the type III level or higher will have trainees from the Colorado Division of Emergency Management and the Colorado Emergency Managers Association. This is a volunteer training and exposure activity and will mark our first operation as a team.
- **Quarterly Team Meeting January 16th- 5pm @ the Ramada -Sterling @ during the Colorado Wildland Fire and Incident Management Academy**

- The team has received a mailbox in the Colorado Division of Fire Safety area. We will be using 9195 Mineral, Suite 234, Centennial, 80112 as our official address. We have also received permission to use cubical space in the CDFS area if needed. This area is only available to us during regular business hours. When in the area we request that you wear your ECIMT I.D. Our official phone number / voice mail box is 719-544-6563, which rings in Pueblo and forwards automatically to IC Chad Rays cell phone.
